

INTERNAL QUALITY ASSURANCE CELL

FGM GOVT. COLLEGE, ADAMPUR

REPORT ON STUDENTS FEEDBACK, 2022-23

The students are an integral part as well as a major stakeholder in any educational institution. FGM Govt. College has always considered Students' satisfaction and their suggestions as seminal for the improvement of the institution. Keeping this in mind a set of questions were asked from students studying in the college. The questionnaire was framed in way to understand their opinion about subjects like Academic Resources and Faculty Involvement, Support system provided by the College and Infrastructure of the College during their stay in college. 81 students have participated in the survey using online structured questionnaire. For a more focused understanding, each of these heads were subdivided into different questions based on dimensions that impact these aspects in the following categories:

a) Academic Resources and Faculty Involvement:-

In order to analyze the satisfaction with regard to this aspect, students were asked about their opinions regarding Regularity of Teaching Faculties in classes, Use of Teaching Aids and ICT facilities by Teachers, Student-Teacher interaction inside and outside classrooms, Integration of theoretical concepts with Practical examples by Teachers, their overall experience with Internal Assessment system used by Teachers, Availability of online resources and reading material at college.

b) Support system:-

College provides various support mechanism to students which begin with their admissions and even after that when the student keeps connected with college as an Alumni. In order to understand their view about different forms of support provided by college, they were asked questions about their experience during admissions, support provided by teachers in non-academic matters, their experience with College's non-teaching staff and members of administration, healthcare facilities in college, and experience with the Placement Cell.

c) Infrastructure

The college infrastructure is very significant for overall growth of student and has important role in facilitating teaching-learning process. Under this head, students were asked their opinion about Classroom facilities (to be judged on basis of Seating Arrangements, Furniture, Lighting Arrangements, Cleanliness, and IT facilities wherever applicable), Library Reading Room facility, Library Reading Material Support (including availability of Text Books, Reference Books, Journals, Magazines and Newspapers), College Website, Sports Facilities, Canteen facilities (to be judged on quality of food served, hygiene standards, and relative cost of food items), Drinking Water facility (based on accessibility and hygiene), Washroom facility (based on cleanliness, water supply, and lighting), and Environment of College in terms of Safety and Security (including use of modern technology and techniques like installation of CCTV cameras, its functioning etc.)

A. Academic Resources and faculty involment

1. Regularity of Teaching Faculties

2. Use of Teaching Aids and ICT in Class

3. Overall Experience with Internal Assessment

4. Student-Teacher Interaction

5. Integration of Theory and Practical Examples in Class.

6. Availability of Online Resources.

7. Overall Learning Experience.

B. Support System

1. Experience during admission.

2. Experience with Department's Teachers and their help in non-academic matters.

3. Experience with College Administration.

4. Experience with Placement Cell.

5. Experience with healthcare facility in College.

C. Infrastructure

1. Classroom facilities.

2. Library Reading Room facility.

3. Library Reading Material Support and Digital Resources.

4. College website.

5. Safe and secure environment in college.

6. Canteen facility.

7. Drinking water facility.

8. Washroom facilities.

9. Sports facilities.

10. Internet facilities.

Conclude:-

If we take an overall view of the responses, it is explicit that all the categories taken together, around 70% of the respondents ranked them to be good or above. The survey indicates that important areas where work needs to be done to improve the learning experience of all students and these areas will be focused upon. We hope that when the next survey is undertaken, these areas will be taken care of to ensure greater satisfaction for students.
